

Dear Guest,

Welcome to The Tollemache Arms. Thank you for choosing to stay at our bed and breakfast, we intend to make your stay a pleasant one.

Whether here on business or pleasure, we trust that you will enjoy your stay with us. If there is anything you require, please don't hesitate to contact a member of the team who will be happy to assist, or myself directly.

During your stay, we will leave you to enjoy the room as your own home and won't disturb you unless absolutely necessary. However, if you would like your room servicing or any fresh towels or amenities please don't hesitate to ask. *Please note staff cannot move any personal items so if you would like your room servicing please keep these as clear as possible.*

You will also notice two keys on your bedroom keyring, the second key will allow you to re-enter via the fire door at the bottom of the stairs, allowing you to come and go as you please outside of the pubs opening hours. This can also be used to exit the building to smoke throughout the night, please note all bedrooms are **strictly no smoking**, it is against the law to smoke in these premises. Electronic / E-cigs are also not permitted in the rooms as these set off the fire alarm.

Please also take the time to read the important Fire Information in your room to ensure that in the unlikely event of an emergency you know your safest and quickest way out of the building.

Enjoy your stay,

Dave Buxton
