DRINK OPTIONS

We would normally suggest offering a welcome drink to ease pressure at the bar and to allow your guests to simply arrive, pick up a drink and be together instead of queueing to order.

We generally suggest a bottle of beer or glass of wine and we offer this at a **discounted price of £5.50 per person.**

We put carafes of water out on the tables as standard.

If this doesn't appeal, you can put an amount behind the bar and we can give everyone a drink of their choosing.
