

FOOD MENU

We're not your typical pub grub spot - our menu is inspired by bold, vibrant street food, cooked fresh to order using quality ingredients from local suppliers. During busy times there may be a short wait - thank you for your patience!

Please note, we serve all dishes at the same time rather than in traditional courses - so everything arrives together for a more relaxed dining experience.

All our fresh food is locally sourced from Mettricks butchers and Matt Jones fruit & veg.
